# How to Make a Member-to-Member Transfer

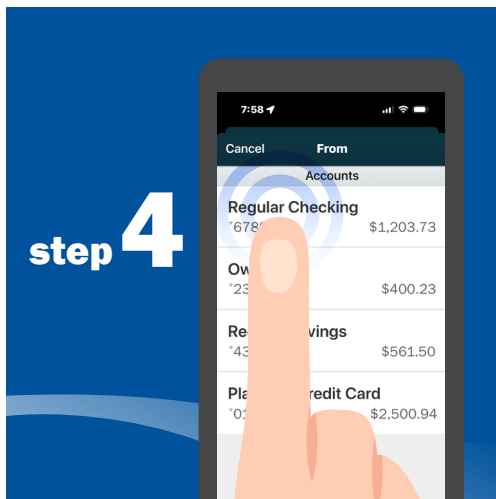

step 1

Download Rogue's Mobile Banking app for Android or iOS.

step 2

Open the app. Log in with the username and password you use for Online Banking.

step 3

Tap "Make a Transfer" in the toolbar at the bottom of your screen.

step 4

Enter the account from which you want to transfer money.

step 5

Select the account you want to transfer money to.
Tip! If you've transferred money to this member before, their account information will be saved here.

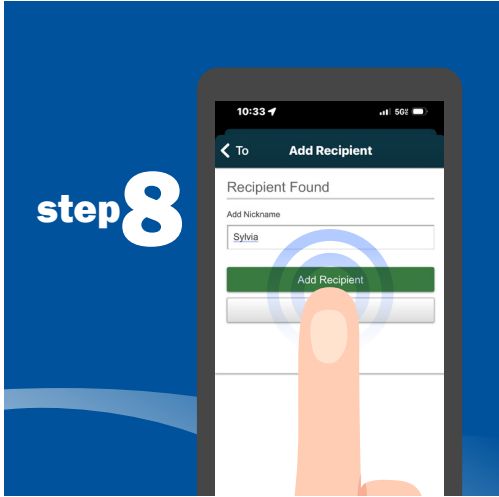

step 6

If you haven't transferred money to this member before, scroll to the bottom of the drop-down list and select "Add a Recipient."
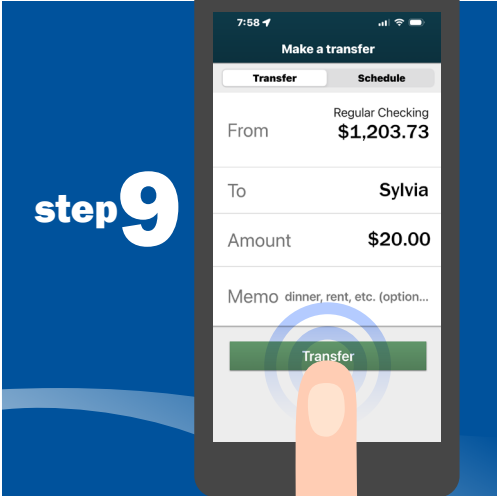

ROGUE CREDIT UNION
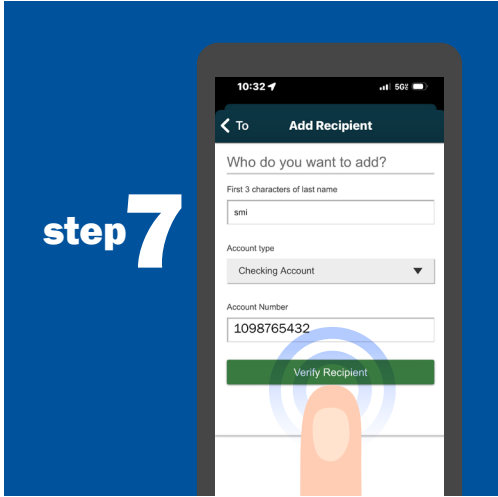

step 7

Enter the first three letters of the member's last name, the type of account you're transferring to and the full, 10-digit account number.
Tip! For help finding your full account number, watch our how-to video.

step 8

Verify the member you'd like to transfer money to and, optionally, add a nickname for the account.

step 9

Enter the amount you'd like to transfer.
Tip! You can also make the transfer recurring or add a memo that describes the purpose of the transfer.

step 10

Confirm your transfer. You can also download and/or print a receipt for the transfer.

Success!

You're all set!
To make a member-to-member transfer in Online Banking, log in, then select "Move Money" in the header. In the drop-down menu under "Move Money," select "Send Money to a Member."
